

Twelve years ago the first relay was introduced that used fiber optics for its channel. It proved that relay system security and dependability was significantly improved by the use of fiber.

The FRM220-CCF20 relay Contact Closure over fiber extenders allow sending ...

Designed in a compact DIN rail or wall mount housing, the AMGFIB series provide digital transmission of contact closure channels for remote input detection and relay control over Multimode or Singlemode ...

Environmentally friendly, cadmium-free and lead-free, ABB interface relays and optocouplers meet RoHS requirements. Complete versions consisting of a relay, socket, holder, marker and function ...

Find Fiber Optic Relay related suppliers, manufacturers, products and specifications on GlobalSpec - a trusted source of Fiber Optic Relay information.

The user cuts the cable in half for splicing to his cable bundle or connects directly with the appropriate optical connector. All external connections to the relay are made to terminal blocks ...

GRW200 is designed to provide phase-segregated line differential protection for use with metallic pilot wire or direct fibre optic communication channels.

Choose from our selection of fiber-optic switches in a wide range of styles and sizes. Same and Next Day Delivery.

Since introduction in the 1930's, the HCB current differential relay has been the industry standard for Pilot Wire Relaying. PULSAR has pilot wire differential relay interfaces that directly connect existing ...

Compact and reliable design with unique polarized actuator construction. Conforms to Telcordia GR-1221-core. Applications include: Optical ADM Equipment, Protection Switching (WDM, ...

The FO-RCT/RR Satellite Relay Receiver module and desktop Relay Control Transmitter form an Integrated Relay Link for control of Potential-Free Contacts.

The SEL-2126 Fiber-Optic Transfer Switch maintains unit line protection even during breaker or relay maintenance by transferring communication to one or two bus-tie relays for main-bus/transfer-bus ...
