When traveling around Guinea-Bissau, make sure to have enough CFA francs in cash to pay for buses or shared taxis, as card payments are rarely accepted on public transport.

At that time there were two urban services in Bissau. Safari Lda started in 1989 with around 10 secondhand large Dutch buses. In 1991 Transter started operations with a small fleet of new ...

Connectors, Bus Bars, and Junction Boxes are essential components in electrical systems, ensuring reliable and safe power distribution.

Most of our trip was on the main highway linking Bissau with the eastern towns, and this was alternately paved, not paved, heavily potholed, and broken, necessitating swerving from side to side constantly ...

Hi, there is any bus or shared private van from Bissau to Banjul or you can go only with driver? Also for other places like typical villages there is transportation?
