

Canadian Corrosion-Resistant Fiberglass Cable Trays

Our Fiberglass Cable Tray gives you the load capacity of steel, plus the inherent characteristics afforded by Pultrusion Technology: non-conductive, non-magnetic, and corrosion-resistant.

Wire basket cable trays come in a number of options giving you the freedom to choose a color, ease of application and level of corrosion resistance.

Lightweight yet robust and resistant to corrosion, fiberglass ladder tray often outperforms galvanized or stainless steel over the life cycle.

Discover how fiberglass cable trays improve safety, corrosion resistance, and lifecycle cost in harsh industrial environments.

Distribution and installation of top-performing cable tray custom-engineered power distributions systems. Industry leaders in Canada.

MP Husky is the leading CSA Cable Tray supplier in Canada. Our fiberglass, steel, and aluminum cable tray systems are used in every industry and meet or exceed all CSA, NEMA, UL, and CTI standards.

Compare the 2026 top 5 fiberglass cable trays in Canada. Lightweight, corrosion-resistant picks from FiberTech, Enduro, Techline, Champion and STRONGWELL.

Are you struggling with cable management systems that corrode, require constant maintenance, or pose electrical hazards in aggressive environments? Our corrosion-resistant Fiberglass Reinforced Plastic ...

Browse our nonmetallic fiberglass cable tray systems offering superior resistance to corrosive conditions in petroleum, mining, and fertilizer industries.
