

Search Newegg for 1gb dac cable. Get fast shipping and top-rated customer service.

All cables are 100% factory-tested for optimal performance, compatibility, ultra-reliability, and signal integrity. With the low pricing, those SFP DACs are perfect for short-distance connectivity within and ...

The high speed cable assemblies meet and exceed Gigabit Ethernet and Fiber Channel industry standard requirements for performance and reliability. These assemblies are called "passive" copper ...

Philisun offers high-performance DAC Cables from 1G to 800G, including Direct Attach Copper solutions with SFP+, QSFP28, and QSFP-DD connectors. Designed for low-latency, short-reach links in data ...

These cables enable hardware manufacturers to achieve high port density, enhanced configurability, and efficient utilization while maintaining a low cost and reduced power consumption. They meet and ...

The high speed cable assemblies meet and exceed Gigabit ...

With these features, this easy to install, high speed, cost-effective direct attach ...

This is an MSA compliant 1000Base-CU SFP to SFP direct attach cable that operates over passive copper with a maximum reach of 1.0m (3.3ft). It has been programmed, uniquely serialized, and data ...

With these features, this easy to install, high speed, cost-effective direct attach copper twinax cable is suitable for short-distance connectivity within a rack or between adjacent racks in data centers.

Axiom 1G SFP Copper Direct Attach Cables (DAC) are 100% compatible in all OEM applications. They are pre-configured with an application specific code to meet the requirement set forth by the router ...

With the features of the low cost, low power consumption and low latency, it is an alternative to optical transceivers for short reach links in high-speed interconnect applications such as Data Center, HPC ...

This cable is compliant with SFF-8472, SFF-8024, and SFP+ MSA. With these features, this easy to install, high speed, cost-effective direct attach copper twinax cable is suitable for short-distance ...
