

In the facebook developers console for your app, go to App Review-> Permissions and Features. Set the public_profile and email to have advanced access. This will allow all facebook ...

This photonic integrated circuits buying guide provides technical background, comparison of major types, selection criteria, and an overview of suppliers.

Using Soitec's materials, they have developed technologies in Co-Packaged Optics (CPO), advanced sensing devices, modulators, and integrated waveguide systems--providing a strong technological ...

We are delighted to share our multi-disciplinary silicon-photonics IP cores and chiplets, and advanced packaging solutions with our customers who ...

from my Android app, I would like to open a link to a Facebook profile in the official Facebook app (if the app is installed, of course). For iPhone, there exists the fb:// URL scheme, but ...

I am trying to extract the url for facebook video file page from the facebook video link but I am not able to proceed how. For example: The facebook video url I have is: ...

We are delighted to share our multi-disciplinary silicon-photonics IP cores and chiplets, and advanced packaging solutions with our customers who are driving the adoption of novel data ...

Important notice: If you register for testing, go to your profile settings and to your interests add delete profile. Trying to login with Facebook to my website: I get the following error: URL

The communications sector is now starting to reap the benefits of the integration of co-packaged silicon photonics into network switches. And where 400G optical transceivers are already being rolled out in ...

Learn how to create a Facebook share link without using JavaScript, including tips and solutions for effective sharing.

Facebook fetches all pictures from my site. I want to share only one picture which is on that page. I heard about the og meta tag, but I don't know how to put it.

Sarcina Technology, a leader in semiconductor and photonic package design, has unveiled significant advancements in its photonic packaging capabilities for Co-Packaged Optics ...

Compatible Silicon Photonics Co-packaged Photonics Supplier in Mali

NVIDIA's Spectrum-X Ethernet Photonics switches usher in the next era of AI infrastructure by integrating co-packaged optics (CPO) directly onto the ASIC, overcoming the limits of electrical ...

Facebook will not allow developers pre-fill messages. Developers may customize the story by providing OG meta tags, but it's up to the user to fill the message. This is only possible if you ...

You can't add any testing phone numbers, Facebook App by default provides one, that you can see in From dropdown, You can add only productions phone numbers, follow the below ...

GF's SCALE CPO solution and silicon photonics technology offer an advanced portfolio of fully-qualified photonic devices, such as 50Gbps and 100Gbps micro-ring modulators, coupled ring ...
