

Founded in 2002, Huijue Group is a high-tech service provider integrating the integration and application of intelligent network equipment and intelligent energy storage equipment.

Founded in 2002, Huijue Group is a leading Energy Storage Equipment Manufacturers, a high-tech service provider integrating intelligent network communication equipment, new energy and applications.

Suitable for communication base stations, smart cities, transportation, and power systems, providing stable backup power and optical fiber connectivity in edge site scenarios

All modules satisfy class I laser safety requirements. The transceivers are compatible with SFP Multi-Source Agreement and SFF-8472 digital diagnostics functions.

The Huijue Group's Optical-storage-charging application scenario is a typical application of microgrid energy storage. The core consists of three parts - photovoltaic power generation, energy storage ...

10Gbps-SFP+-SMF-1550nm-80km-commercial Table 1-244 10Gbps-SFP+-SMF-1550nm-80km-commercial specifications

The interface standard is Huawei-specific.

Good quality 60km~80km transceivers module, offer 100gbase zr4,100gbase zr,oif 400zr,qsfp zr at wholesale best prices.Fast Shipping! Global Shipping.

The XG-SFP-ZR-SM1550 is aligned to IEEE 10GBASE-ZR optical specifications and supports a link length of up to 80 kilometers over an SMF with an LC connector. It adopts the SFP+ form factor and ...
