

Industrial Ethernet Switches for networks with a future Network components (SCALANCE X) Switches are active network components that support the structuring of an industrial communication network ...

Simple, space-saving, for industrial use SCALANCE X-000/XB-000 are an affordable and easy entry-level solution for the realization of simple machine networks and small Ethernet networks.

Cisco Industrial Ethernet 4000 Series Switches - Technical support documentation, downloads, tools and resources

The PACSystems GLM series Industrial Ethernet Switches deliver high-quality Ethernet operation over a wide temperature range and can tolerate an extended power input range.

Our Industrial Ethernet Switch portfolio comprises Managed and Unmanaged Switches with Gigabit, PoE, IEC 61850 certification, and for DIN rail mounting.

WAGO's switch portfolio provides scalable Ethernet network infrastructure with excellent electrical and mechanical performance. These rugged devices are designed for industrial use and are fully ...

Our Ethernet switches are designed for use in industrial environments. They are robust, impact-resistant and temperature-resistant. All products fulfill the highest requirements for reliable and flexible ...

Industrial Ethernet Switches are rated for operation in a minimum temperature range of 0--70°C and specify shock & vibration tolerance ratings. Commercial switches typically provide a single AC power ...

The result of a joint collaboration between Cisco and Rockwell Automation, this industrial Ethernet switch line uses the current Cisco Catalyst operating system, feature set, and user interface, making ...

The IS420ESWBH3A and IS420ESWBH2A are Ethernet switch modules designed for GE's Mark VIe control systems, facilitating high-speed data communication ...

Cisco Industrial Ethernet 4000 Series Switches - Technical support ...

WAGO's industrial switches feature a redundant power supply and switchable ring redundancy providing uninterrupted data communication. With a short recovery time of under 20 ms, the Xpress Ring ...

Cisco announces the end-of-sale and end-of-life dates for the Cisco Industrial Ethernet 4010 Series. The last day to order the affected product (s) is July 31, 2026.
