

Iraqi supplier of compatible QSFP-DDLPO optical modules

Relying on its sharp market insight, strong R& D capabilities and continuous efforts, QSFPs has become one of the leading supplier for QSFP+ transceivers, SFP+ transceivers, SFP transceivers, ...

DataLight Optics provides compatible solutions that meet or exceed the MSA specification of the product provided by the OEM at a fraction of the price. Each item is subject to rigorous testing procedures to ...

From low data rates to 800GB, we have compatible, energy-efficient modules tested with global standards. Get the quality you need for any application.

Amphenol's QSFP-DD Linear Pluggable Optical (LPO) Transceiver delivers low-latency, high-bandwidth PCIe ® Gen 5.0 over optical link, enabling scalable server disaggregation and ...

The official store for QSFPTEK. We provide compatible optical modules with online shopping function.

FS provides an expanding portfolio of 400G OSFP/QSFP112/QSFP-DD solutions featuring high-performance, high-bandwidth, and backward compatibility. The 400G transceiver modules are ideal ...

Our engineering and sales teams can help evaluate compatibility, performance requirements, and supply options across AOI's optical portfolio. Contact Us. 1.6T, 800G, and 400G optical transceivers ...

Smartoptics QSFP-DD transceivers provide cost-efficient 400G and 800G optical networking. QSFP-DD (Quad Small Form-Factor Pluggable Double Density) transceivers double the number of high-speed ...

They are our go to SFP for Cisco switches. Use both the 1GB and 10GB link versions. They have been rock solid for us in our network, at a great... Read ...

They are our go to SFP for Cisco switches. Use both the 1GB and 10GB link versions. They have been rock solid for us in our network, at a great... Read more. Good optics at a great price! We've used ...

The Cisco® family of QSFP-DD modules provide the industry's highest bandwidth density while leveraging the backward compatibility to lower-speed QSFP pluggable modules and cables.
