

Plugin to generate BOM + CPL files for JLCPCB, assigning LCSC part numbers directly from the plugin, query the JLCPCB parts database, lookup datasheets and much more.

Our multimode LC to SC hybrid adapter is designed for connecting two fiber optic cables or connectors & interchangeable between a range of products.

LC female to SC female adapter for Simplex fiber optic cable applications. Use this hybrid adapter on your SC configured environments to accommodate LC configured applications.

This LC-SC Hybrid Adapter allows you to patch together LC and SC connectors or LC and SC fiber patch cables quickly. The LC-SC adapters feature zirconia ceramic alignment sleeves which provide ...

Our multimode LC to SC hybrid adapter is designed for connecting two fiber optic ...

The LC Female to SC Male Single Mode Duplex Hybrid Fiber ...

We provide Custom Cable Assemblies & Wire Harnesses, Acrylic & PET Front Panel, PCBA, and PCB prototype manufacturing, delivering innovative supply chain support to engineers and businesses ...

Discover Socket Adapters products in Connectors, Interconnects/Sockets for ICs, Transistors at LCSC Electronics. More choices from Asian Domestic Alternatives included.

LC to SC Converting Adapters provide an economical solution to networking where the different connector types are present without having to re-design an entire system .

The LC Female to SC Male Single Mode Duplex Hybrid Fiber Adapter provides a reliable and cost-effective solution for connecting LC and SC connectors within single mode optical networks.

Constructed with precision alignment sleeves and durable housing, the adapter maintains optimal signal integrity while reducing insertion and return loss. Its simplex design is ideal for point-to-point ...

Discover Rectangular Connector Adapters products in Connectors, Interconnects/Rectangular Connectors at LCSC Electronics. More choices from Asian Domestic Alternatives included.
