

OPTIMAL CONNECTIVITY is a leading supplier of solutions and components for RF, electrical and optical connectivity. From our regional headquarter in Dubai, we are serving GCC and MENA markets.

Naficon is your reliable supplier for all Fiber Optic equipment in the Middle East and Europe.

Discover the best fibre optic cable solutions in the UAE from Arabian Fiber -- a top manufacturer delivering high-quality microduct, FTTH, ADSS, and armored cables.

MEFC has also entered the FTTH market by providing microfibers, and pre-connected cables. Moreover, MEFC is now planning to boost exports to the GCC and Middle East countries. For more ...

MEFC has established itself as the leader in manufacturing fiber optic cables, and solution provider for the telecommunications and industrial sectors in MENA markets.

Unlike competitors who also make copper power cables, MEFC focuses exclusively on fiber optics. Established in 1995 as a partnership with Fujikura (Japan), they maintain high-precision ...

Technical Fiber Optics Lines Factory (TechLine) is established in Jordan in 2016, ISO 9001:2015 certified, first of its kind in the Middle East region.

MEFC has entered the FTTH market by supplying micro cables, pre-connected cables, fiber optics accessories, air blown cables and offering end to end solutions. In addition, MEFC is planning to ...
