

Senegal Relay Protection Energy-Saving Fiber Optic Connector Price

The FOI-2991, FOI-2992, FOI-2993, FOI-2994, FOI-2995 and FOI-2996 all provide complete electrical isolation for control signals and relay closures. The units are uni-directional devices with the FOI ...

These relays have extensive control functions, which are supplemented by advanced metering, data storage and fibre optic communications. Supervisory and self-monitoring features give added ...

The FRM220-CCF20 relay Contact Closure over fiber extenders allow sending relay contacts over fiber optic enhancing security and automation applications. The contact closure converters have SFP slot ...

This Contact Closure Fiber Link system provides transmission of the contact closure signal over one optical fiber. Applications include alarm event triggering, building automation, environmental control ...

The FRM220-CCF20 relay Contact Closure over fiber extenders allow sending ...

Pionniers de la fibre au Sénégal, nous concevons et déployons des liaisons optiques haute performance pour connecter vos sites avec un débit optimal et une latence minimale.

Use the SEL-2595 Teleprotection Terminal to send and receive up to eight relay contacts directly over a pair of optical fibers or through a digital T1 or SONET multiplexer.

Each channel has a fiber-optic receiver and an LED-sourced fiber-optic transmitter that continuously self-tests and monitors the optical circuit to detect and alarm for any malfunction.

Connect shop votre boutique en ligne au Sénégal spécialiste du reseau sans fil . Vente de produit fibre optique : Module SPF,Cordons de Brassage. outillages, Cables,

Distribution location et vente de matériel et équipements fibres optiques pour le Sénégal.

Tous types de relais avec nos partenaires fabricants; installation, programmation et commissioning inclus.
