

# There is a bridge on the door

Four people need to cross a bridge in 17 minutes in the middle of the night. The bridge can only hold two or less people at any time and they only have one flashlight so they must travel together (or alone).

The Bridge on the River Kwai is considered as one of the greatest films of the 1950s. It was the highest-grossing film of 1957 and received positive reviews from critics.

There is a door that is chained shut at the beach. This door does not unlock for me - I assumed that you could open it from the island once cleared, but no, it does not unlock for me. Is ...
